Reviews

The best pdf i at any time read. It is one of the most remarkable ebook we have read through. You wont really feel monotony at anytime of your own time (that's what catalogs are for concerning should you check with me).
(Reggie Streich)

M.A.S.H.

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, M.A.S.H., Richard Hooker, The book behind the hit TV series and movie. The doctors and nurses who worked in the Mobile Army Surgical Hospitals (MASH) during the Korean War were well trained, dedicated, and pushed to the brink. And they were young - too young to be doing what they had to do. As Richard Hooker writes in the Foreword, 'A few flipped their lids, but most of them just raised hell, in a variety of ways and degrees.' Meet the true-life heroes and lunatics who fought in the Korean War, and experience the martini-laced mornings, marathon high jinks, sexual escapades, and that perfectly corrupt football game that every fan of the movie will remember. It's also a story of hard work and skill in the face of enormous pressure and odds. Here is where it all began - the novel that made M*A*S*H a legend.
