SharePoint for Project Management: Learn How to Manage Your Projects with SharePoint

By Dux Raymond Sy

Shroff Publishers/O`Reilly, 2008. Softcover. Condition: New. Microsoft SharePoint is perfect for project management, but most companies don`t understand it`s power. This hands-on book demonstrates how SharePoint can help you organize and manage complex projects -- a decidedly more productive way to use this popular collaboration software. You`ll learn how to apply common and practical project management concepts in SharePoint, and build a Project Management Information System (PMIS) that can efficiently coordinate communication and collaboration among team members. "If you are a project manager looking for a technology-based, easily implemented, and usable solution for project communications, document management, and general project organization, this book is for you!" -Susan Weese, PgMP, President and Founder, Rhyming Planet Most companies don`t understand SharePoint`s power, and use it simply to share documents or spreadsheets. This hands-on book demonstrates how SharePoint can also help you organize and manage complex projects. With SharePoint for Project Management, you`ll not only understand how to apply common and practical project management concepts in SharePoint, you`ll learn how to build a Project Management Information System (PMIS), customized to your project, that can efficiently coordinate communication and collaboration among team members. With this book, you will: Learn to apply key project management...
