But it certainly felt like the mistake was mine, for trusting him. Plot Preview: Eve Astraea is a woman of the future, living in year 2077, with a problem which transcends time itself. Despite having an almost perfect lifestyle, she is trapped in an increasingly lonely marriage, devoid of love and passion. She does the unthinkable, trying to rekindle her husband s desire. She knows that something is wrong, but can t quite put her finger on it, and when she uses her sophisticated hacking skills to tap into the AthenaLens of her best friend, she discovers things about her husband that shocks her to the core. As the evidence of her husband s philandering increases, Eve is suddenly distracted by a mail from a secret agent. With mention of an adult playground in the Far East, called Aphrodite s Promised Land, Eve s interest is suddenly peaked and the promise of an unforgettable two-night, three-day sexual awakening trip, as well as the opportunity to have some revenge, compels her to take a chance she would otherwise have shied away from. Eve will travel to a destination where all her desires will be met and where she can fully explore her long-suppressed passion. But will it be what she expects and catapults her toward an adventure not many can even imagine, or will it complicate an already delicate situation? Buyer Beware: Strong Language, MF Consensual Sex, Voyeurism, Erotic Actions, Erotic Situations, Sweet Romantic Dialog.
