

Print Culture, Crime and Justice in 18th-Century London (History of Crime, Deviance and Punishment)

Filesize: 3.8 MB

Reviews

This is basically the very best book i have read right up until now. It is definitely simplistic but excitement in the 50 % from the ebook. Your daily life period will likely be transform as soon as you total reading this article pdf.
(Prof. Ambrose Pollich DDS)

PRINT CULTURE, CRIME AND JUSTICE IN 18TH-CENTURY LONDON (HISTORY OF CRIME, DEVIANCE AND PUNISHMENT)

Bloomsbury Academic. Paperback. Condition: New. 336 pages. In the first half of the 18th century there was an explosion in the volume and variety of crime literature published in London. This was a golden age of writing about crime, when the older genres of criminal biographies, social policy pamphlets and last-dying speeches were joined by a raft of new publications, including newspapers, periodicals, graphic prints, the Old Bailey Proceedings and the Ordinarys Account of malefactors executed at Tyburn. By the early 18th century propertied Londoners read a wider array of printed texts and images about criminal offenders - highwaymen, housebreakers, murderers, pickpockets and the like - than ever before or since. *Print Culture, Crime and Justice in 18th-Century London* provides the first detailed study of crime reporting across this range of publications to explore the influence of print upon contemporary perceptions of crime and upon the making of the law and its administration in the metropolis. This historical perspective helps us to rethink the relationship between media, the public sphere and criminal justice policy in the present. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
