St Martin s Press, United States, 2009. Paperback. Condition: New. Repr.. Language: English . Brand New Book. Bride McTierney has had it with men. They re cheap, self-centered, and never love her for who she is. But though she prides herself on being independent, deep down she still yearns for a knight in shining armor. She just never expected her knight in shining armor to have a shiny coat of fur. Deadly and tortured, Vane Kattalakis isn t what he seems. Most women lament that their boyfriends are dogs. In Bride s case, hers is a wolf. A Were-Hunter wolf. Wanted dead by his enemies, Vane isn t looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered--something no self-respecting wolf can accept. But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win.
