

Out of Place: a Memoir: A Memoir (Paperback)

By Edward W. Said

GRANTA BOOKS, United Kingdom, 2000. Paperback. Condition: New. New ed. Language: English . Brand New Book. Edward Said experienced both British and American imperialism as the old Arab order crumbled in the late forties and early fifties. This account of his early life reveals the influences that have formed his books, Orientalism and Culture and Imperialism . Edward Said was born in Jerusalem, and brought up in Cairo, spending every summer in the Lebanese mountain village of Dhour el Shweir, until he was banished to America in 1951. This work is a mixture of emotional archaeology and memory, exploring an essentially irrecoverable past. As ill health sets him thinking about endings, Edward Said returns to his beginnings in this personal memoir of his ferociously demanding Victorian father, and his adored, inspiring, yet ambivalent mother.
