

Miles to Go (Hardback)

By Jamie Harper

Candlewick Press (MA), 2010. Hardback. Condition: New. Language: English . Brand New Book. Hop in! Neon-bright illustrations depict a delightfully single-minded little driver sure to have readers clamoring to come along for the ride. (Ages 3-6) Another day, another drive . . . So declares Miles, preschooler and car enthusiast. He puts on his seatbelt. Check. He cranks the key. Check. Uh-oh, the horn is broken, but no time to fix it, because-- gotta go! --Miles is off to school, zigging and zagging past sister s trike and brother s truck. The trip is adventurous indeed, with the neighborhood dog to greet, puddles to navigate, even roads to cross (with Mom close at hand, of course). Jamie Harper s adorable, energetic illustrations and wonderfully childlike sensibility will appeal to every busy little kid who loves things that go.
