By Robert Eaker

Solution Tree. No binding. Book Condition: New. Spiral-bound. 103 pages. Dimensions: 12.1in. x 10.7in. x 0.3in. The Professional Learning Communities at Work Plan Book combines 40 weekly planning pages and space for eight class periods, with ideas and activities to help teachers and their collaborative teams work together to address crucial, teacher-specific professional learning community concepts. It presents essential school improvement tips and inspirational testaments to last the entire academic year. The plan book explores in great detail and at strategic intervals the 18 Critical Issues for Team Consideration. The Critical Issues are questions that guide the collective inquiry and action research of each collaborative team and that help to promote deep team learning and higher levels of student achievement. Teachers are also encouraged as they plan each lesson to consider the Four Critical Questions of Learning in a PLC: What is it we expect students to learn How will we know when they have learned it How will we respond when they do not learn How will we respond when they already know it This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Spiral-bound.
