Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

DOWN ON THE OTHER STREET: VOLUME II

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Bernice Paez, Najla Qamber (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Scars dripping over broken skin and whispers silenced, there can be no point of return. Wrapped in the ripples of warm waters, staring down at unkempt mountains, Stefanie can feel the thrum of the old world s song. The first conversation, stained into ceramic cups and shadows in the night, gave birth to the last confession. Before metal bars clanged shut or chanting grew quiet, there was the woman with the violet smile. Somewhere in the gaggle of exposed bodies, worn cassettes and children s fairy tales, he is waiting for the red coat. Woven together through trials of sexuality, political dissonance, and self-discovery, this heady collection of six short stories examines who we become after finding love.
