This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject Business economics - Business Management, Corporate Governance, grade: 1,0, University of Bonn (BWL 1 - Finanzwirtschaftliches Institut), course: Seminar 'Corporate Governance', 48 entries in the bibliography, language: English, abstract: In this paper I outline the relationship between Corporate Governance (CG) and the valuation of a firm. Working through the huge body of empirical research I want to give a clear picture of the mechanisms and their relative importance in influencing the valuation. At first I clearly define what I am speaking about: What is Corporate Governance What do I mean when I speak about Corporate Valuation Once the terms are clear the main question is: Why are these two things connected What are the theoretical arguments To evaluate the empirical findings I shortly describe beforehand the statistical problems and pitfalls that arise within this research. With this stable fundament I describe, comprehend and evaluate the descriptive research that has been done until today. Throughout this part I also pay attention to the used methodology. The aim is to...
