Leaders, new to the field, often lack the strategies needed to successfully secure funds, file form 1023, audit their annual programmatic goals and hold their board of directors accountable. Through a process of understanding the historicity of the faith-based sector, establishing plans and learning the fundamentals of non-profit development, new leaders can position themselves to lead the charge towards establishing bona-fide faith-based organizations. This book is composed of those fundamental areas. In addition to such processes, this book also looks at the mission of Apostle Paul as he led a purpose driven life to establish churches in the Roman Empire and his commitment to the benevolent offering. Clearly, those working the field of Christian philanthropy can use Paul as a model figure as they seek to establish worthwhile causes that meet the needs of people universally. This book examines both the historical and current impact that faith-based organizations have on society. Included are the steps for individuals interested in establishing an NGO (non-governmental organization) and seeking funds. Worksheets are also provided. The author, Dr. Janell N. Harvey is a seasoned proposal developer who has established a number of non-profit organizations while helping to garner millions in funds. Dr. Harvey s research presents a worthwhile model that is easily adaptable within the faith based sector.
