John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Travel within: 7 Steps to Wisdom and Inner Peace, Dave Cunningham, Jamshid Hosseini, My goal is to elevate human consciousness enough so that we may avoid the cataclysmic disaster that lies ahead in one of our possible futures - a disaster that has been predicted by scientists, politicians, authors, futurists and, of course, most major religions. Do we really need to find ourselves up to our knees in blood before salvation arrives? And is it really necessary for us to rely on an outside power to save us, like Jesus, Buddha or the 12th Imam? What if the answer were actually within ourselves? What if the physical and metaphysical paths of inquiry - science and faith - led to the same place? What if God, love, heart, brain, man, woman, matter and void were really all just different expressions of the same force? I believe this force connects everything in the universe as a common family. My book helps you nurture this force and achieve Oneness here and now.
