Hunter House Publishers, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Based on the idea that nature has a soul and that we can communicate with it, ECoTherapy techniques aim to restore and maintain a harmonious energy balance in ecosystems and other systems. The Universe Loves a Happy Ending describes how this revolutionary energetic method of remote healing can be used to increase the vitality of communities, nature reserves, and organizations from a distance. Accessibly written, with numerous color illustrations, this guide offers a clear understanding of the principles of ECoTherapy to everyone. Making innovative connections between science and universal spiritual laws, the book demonstrates that energetic guardians consciously using their intuitive development in working with nature can stimulate an ecosystem's long-term vitality. Using the principles and techniques explained in the book, readers can also energetically charge and give direction to their own lives. As such, The Universe Loves a Happy Ending empowers each of us to take an active role in caring for the planet.
