

Leadership for the Age of Change: How to Lead Successfully in the 21st Century (Hardback)

By Jan F Lourens

IncludeChange Pty Ltd, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Leadership for the Age of Change by Dr Jan Lourens Discover how to Lead in the Age of Change Dr Jan Lourens presents an integrated leadership guide for leaders in an age of hyper-change. Leadership for the Age of Change is based on practical, principle-centred fundamentals and sound proven theory. The book is an essential read for all leaders--for those who lead with global impact and the young leader alike. Dr Lourens shows leaders how to fulfil their leadership roles in almost any context. He created many new concepts, models, frameworks and principles for leaders to lead organisations toward achieving shared purposes. Leadership for the Age of Change will encourage and guide you to: Lead your team, global entity, entrepreneurial business, political party, school or any other organisation to higher levels of performance and better results. Lead change initiatives with significantly improved success. Lead your entity to become fit for change and perform change initiatives in contexts of continual disruptive challenges. Turn around leadership deficits that may be present in your entity. Through inclusion and better relationships, significantly improve trust and engagement....

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
