Teaching Your Child the Language of Social Success (Paperback)

By Duke, Nowicki, Martin

Peachtree Publishers,U.S., United States, 1996. Paperback. Condition: New. Language: English . Brand New Book. Do you know what nonverbal language is? Even if you can t define it, you speak it everyday through your postures, gestures, facial expressions, and tone of voice, and you must constantly read these signals from others. In fact, nonverbal messages can carry up to 90 percent of the meaning of human interaction and contribute significantly to social, academic, and professional success. yet even though we recognize the importance of nonverbal communication, we have generally left the teaching of this essential language to chance.Now, parents and teachers can help develop nonverbal skills so that will be able to communicate more effectively and to interact with others more successfully.In teaching Your Child The Language Of Social Success, clinical psychologists Marshall Duke and Stephen Nowicki and educator Elisabeth Martin descibe and explain the methods and rules of nonverbal communication. Together they have created an easy--to--use guide which offers definitions and techniques for assessing a child s strenghts and weakness in this unspoken realm, as well as case studies, illustrations, and exercises for teaching or improving nonverbal skills at home or in the classroom.

Reviews

This ebook will not be simple to start on reading but very fun to learn. It generally is not going to expense too much. I am very happy to explain how this is the finest book i have read in my very own existence and can be he finest pdf for at any time.

-- **Lavada Cruickshank**

This is actually the greatest pdf i have got go through until now. Indeed, it can be perform, nevertheless an amazing and interesting literature. Its been designed in an extremely simple way and is particularly only following i finished reading this ebook where really modified me, affect the way in my opinion.
