Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Etopia Press. Paperback. Condition: New. 336 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Falling in love wasn't part of the contract. . . Single dad and wounded warrior, Dwayne Dempsey, has no idea what he's bargained for when he signs a construction contract with the curvy Marla Danaher to honcho her condo conversion. The last thing he needs is a sexy property developer breathing down his neck every step of the project. Her strong-minded bossiness should turn him off, but oddly, only makes her more desirable to him. Marla Danaher has no time for dates, flirting, or marriage. She leaves that up to her twin sister, Charlene. Building a solid financial future and determining her own destiny are her top priorities. Unfortunately, the former Marine running the construction project she's poured everything into only complicates everything. His teasing sexual innuendos drive her to distraction, and she can't ignore his raw physical strength and masculinity. They're on each other's nerves day in and day out, but that does nothing to diminish their strong attraction sparking between them. Too bad love scares them both. When the mother of Dwayne's daughter suddenly reappears, things take a nasty turn as she fights for sole custody of the child she'd abandoned. There's no way he's giving up his daughter, but when a series of break-ins and threats begin, his protective side flares to life. How can he protect those he cares for most without driving them away? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
