By Thomas Longfellow

Thomas Longfellow, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A politically conflicted nation faces internal dissent and the threat of invasion in Longfellow's fast-paced allegorical novel of dystopian fantasy. -Kirkus Reviews **BOOK SUMMARY:** Completely controlling Federal City, the Enlightened heralded their Save and Create Jobs program as a wild success. They celebrated after taxing the rich out of existence. They cheered the outlawing of horses and livestock due to their damaging effects on the climate. One of their proudest achievements was passing the Right to a Healer ten years earlier. And now the Enlightened-led by their charismatic Presiding Chief-are on the brink of permanently reforming the country with their most controversial legislation yet-the Right to Eat . Little did they know that the rapacious Kingdom of Anic to the south had mobilized their legions and deployed their amphibious landing fleet. That is where this story begins. **MAIN CHARACTERS:** This is a story of five individuals whose destinies are unknowingly intertwined. Jake is a medic on the frontlines of battle fighting an invading horde in the south. Jenny is his sister who recently finished medical school. Fletcher is their older brother who...
