After reading this book, it becomes obvious why my sister would make her life bare to the world. It is recommendable that she would chart her life for all to see, so perhaps other readers with similar situations could also see a way out of their dark places and be guided into light, regaining their love, trust and hope. - Merlyn Roach. An honest account of love gained, love lost and self-renewal. I recommend this book to the young and old. It will assist marriage counselors, pastors, those who are married as well as individuals contemplating marriage. The ending will surprise everyone. The writer demonstrates what David expressed, The Lord is near to all who call upon Him, to all who call upon Him sincerely and in truth. -(Psalm 145: 18 AMP) - Dr. Wesley A. Plummer. It is as if your entire life involved God allowing you to go through this because He could trust you being able to tell this story. Thank You! Thank You! It s not just for women but also for men to hear the kind of grief we cause by some of our actions. - Conrad Ruben.
