Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Emile Joseph Dillon was a journalist assigned to cover the Treaty of Versailles. Following World War I, the treaty placed a heavy burden of reparations upon Germany, now thought to have resulted in the outbreak of the Second World War. The author was a journalist with decades of experience in reportage: reporting to his base in London, and abroad in Europe, Turkey, and China, it was with distinction that Dillon conducted his profession. He would famously dress incognito so as to observe events closer and blend in with the local environment. We hear of the various discussions that were tabled, including the sides which the nations at the table took. On some occasions, agreement was set back by objections of smaller countries wary of the social and economic effects of its tenets. Although concessions were made, it is Dillon s perception that the bulk of the Treaty of Versailles was drawn and at times dictated by Great Britain, France and the United States. In keeping with the general sentiment of Allied nations and commentators at the time, Dillon was strongly in favor of the punitive financial reparations demanded from Germany. However he notes that Germany could still rise once more, and feels that more should have been done in anticipation of such a resurgence. Dillon notes that there was a degree of secrecy to how the Treaty was conducted; much of the discussion went on in strictly sealed rooms. Even the smaller players, such as the nations of Eastern Europe, were excluded to the discussions ensuing between the Great Powers : the USA, Britain and France. Many of the finer points of the treaty were unclear until near the conclusion; and some...
