Headline Publishing Group, United Kingdom, 1996. Paperback. Condition: New. Language: English . Brand New Book. In the Scottish fishing village of Mareth, everyone knows everything about each other - and what they don t know they assume; the villagers live against a constantly changing backdrop of elaborate scheming and sexual innuendo. At the hub of this world is the Ocean Cafe, run by tousle-haired, forty-something Magda, who makes grown men eat their greens, won t serve customers she doesn t like, and loves her children and their father with a passion. When Jessie Tate, devastated by recent tragedy, rents the flat above the cafe in an escape from the city, her dream of peace and solitude is shattered by the rock n roll music that thuds through her floor. But perhaps a dose of life in an intimate, colourful and utterly self-absorbed community is just what Jessie needs to break free of her ghosts.
