Penguin Putnam Inc, United States, 2013. Paperback. Book Condition: New. 172 x 106 mm. Language: English . Brand New Book. Lauren Dane s breathtaking series comes to a thrilling conclusion as the heat of all-out war fans the fires of an otherworldly romance. The bombing that almost killed Owen witch Molly Ryan has worsened the tensions between the humans and the Others. While the Others desperately campaign to prevent the passage of a law that would strip their people of all rights, the human separatists develop an agenda far worse than anyone imagined. With her position more precarious than ever, security head Helena Jaansen finds herself relying more and more heavily on her personal guard, Faine Leviathan, and, despite her better instincts, falling more deeply into the intimate connection that they share. As Helena and Faine s explosive passion grows, a deadly separatist plot is discovered, one that could mean ultimate destruction for the Others, and war breaks out between the two opposing factions. With the Others forced into hiding, Helena must overcome her fear of repeating past failures to save her people--and her heart--before it s too late.
