Psychotherapy (Paperback)

By Hugo Munsterberg

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Psychotherapy By Hugo Munsterberg Hugo Munsterberg, June 1, 1863 - December 19, 1916, was a German-American psychologist. He was one of the pioneers in applied psychology, extending his research and theories to Industrial/Organizational, legal, medical, clinical, educational and business settings. Munsterberg encountered immense turmoil with the outbreak of the First World War. Torn between his loyalty to America and his homeland, he often defended Germany's actions, attracting highly contrasting reactions. Over time Munsterberg's interests turned to the many practical applications of psychological principles, he felt very strongly that psychologists had the responsibility to uncover information that could then be used in real world applications. In fact he was the first to apply psychological principles to the legal field, creating forensic psychology. He wrote several papers on the application of psychological information in legal situations. The main objective in most of these articles was eyewitness testimony which examined the viability of said witness testimony. He also applied psychological principles to the field of clinical psychology attempting to help those who are ill through a variety of different treatments.
