On January 12, 2010 a catastrophic magnitude 7.0 earthquake struck the Haitian capital of Port-au-Prince. In the days and weeks that followed, the devastation was unimaginable. An estimated 300,000 people lost their lives, and another 1 million were left homeless. Prior to the earthquake, Haiti was the poorest nation in the western hemisphere. Due to the massive response by humanitarians all over the world, NVM has grown exponentially in recent years. NVM hosts over 1,000 people annually as part of medical, construction, and various other mission teams. In 2011 Aaron Elliott lived with his wife and three young children in...
