Forgotten Books, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from *Le Jardin des Plantes: Description Et Moeurs des Mammiferes de la Menagerie Et du Museum d Histoire Naturelle* Voici donc M. De Bufl on qui prend possession de. Son domaine. C etait triste a voir ce domaine de la nature! Deux salles basses suffisaient, et au dela, a contenir des curiosites dignes de la foire: deux ou trois squelettes vermoulus, des herbiers en desordre, le Jardin etait plante au hasard pas une allée, pas un sentier trace, pas un arbre qui fut a sa place. Il fallut batir, il fallut planter, il fallut agrandir toutes choses, surtout il fallut. Trouver des hommes qui vinsent en aide au grand naturaliste; car deja M. De Bufl on, comme un digne emule de Pline l ancien, songeait a ecrire l histoire naturelle, ce livre immense qui n a d autres bornes que les bornes de l univers. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
