Penguin Putnam Inc, United States, 2016. Hardback. Book Condition: New. 226 x 160 mm. Language: English . Brand New Book. From the world s leading experts on workplace accountability comes the most comprehensive study on the subject, revealing the cure that could fix low employee engagement in the workplace once and for all One factor, more than any other, causes the problems business leaders fear most. Lackluster performance, sinking profits, and unmet stockholder expectations all stem from one source: a massive decline in employee engagement. Rather than blaming employees themselves for the decline, however, the Workplace Accountability Study reveals how to fix it the secret lies with those who lead and manage our organizations. To inspire employees to be fully engaged, mentally and emotionally, in their work, leaders must first and foremost fix accountability in themselves, their teams, and the entire enterprise. But how? To answer that question, Roger Connors and Tom Smith cofounders of Partners In Leadership, the Accountability Training and Culture Change Company, and the authors of the New York Times bestseller The Oz Principle, the definitive bible on workplace accountability have joined forces with three expert field practitioners. The resulting book not only presents eye-opening insights drawn from the authors three-year, first-of-its-kind Workplace Accountability Study, it also offers 240 proven solutions advanced by 120 successful leaders interviewed exclusively for this book. Their combined wisdom can help you solve every conceivable accountability problem, whenever and wherever it pops up. Since one size does not fit all in today s challenging business environment, this official sequel to The Oz Principle provides an innovative, self-directed journey into accountability that enables you to tailor solutions to your own unique situation. Fix It tackles the 16 Accountability Traits consistently found in highly accountable, effective people, teams, and organizations, and it guides you...
