Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What could be better than a collection of stories all centered on Halloween? There s just something about the cool, crisp air in the fall, being romanced under the moonlight and knowing magic can happen in a pumpkin patch. In Hunter s Moon Magic, the main story is about Judith and her hunt to reunite with her true love. Though it takes her two hundred years to find her happy ending, maybe it s the journey instead of the destination after all. In The Haunting of Amelia Pritchard, Amelia is feeling a bit down on her luck, but an aging house and an estranged husband bent on making their marriage work are nothing compared to stumbling upon a ghost in her bedroom. Sometimes, being haunted isn t limited to the supernatural. In Courtesans and Thieves, a masquerade provides excitement and lowered inhibitions. The chase is on; complete with a kiss from a handsome, mysterious gentleman and a moonlit tryst for a prize.
