Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Recreation Survey The chief object in these brief papers by the pupils is not to display literary form, grammar, or penmanship but to learn the truth about what the pupils do outside of school. The essays need not be signed if this will make the pupils write more freely. It should be explained to the pupils that papers will not be read by their own teachers but will be used in planning for better chances for boys and girls of the city to play and have a good time. Kindly ask them to be definite. If they say i went to a show, tell what show. If they say i played, tell what they played and where. Each paper should be marked with School - Grade - Age of pupil and whether pupil is boy or girl. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
