Up until the fateful day of 15 December 2009 she lived a quite an ordinary life. She worked hard to raise her two daughters as a single mother. She danced with friends on Saturdays went to church on Sundays. Her life was an archetype of normalcy and most of her days were as predictable as a song known off by heart . all except for that day. That day everything briskly began to unravel her porcelain life. She was forced to go onto the battlefield to fight against the injustice to rescue her family and claim back her name. Sandra displays the indelible resilience of the human spirit.
