Tammi Booth, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tegan s deepest secrets uncover her greatest gift. In the game of life, I was used to being on the losing team. The odds were stacked against me. Tegan s Team--a mom who tried to control me, a dad who would rather drink then spend time being a father, a lying ex-boyfriend, and fake friends. Like any team however, you have that one shining star that stood out above the rest. For me that star was Emily, my best friend. I guess life had pity on me the day it gave me a friend that always had my back. And then there was Andrew. He was my shooting star. One that I never saw coming. One that I hoped became mine over the summer of my senior year. A glimpse into a crystal ball couldn t have prepared me for that summer, though. The summer where a letter from my mom rocked me to the core. I felt the world shake with every word I read in that letter. By the time I reached the end, my world split wide open swallowing me whole. TC Booth is an award winning coming of age author. Fans of young adult books that are a quick read, yet loaded with emotion, teen drama and angst, along with first love and romance will enjoy this book.
