Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.

(Mr. Enrico Lesch)

SOCIAL WORK: INTRODUCING PROFESSIONAL PRACTICE (HARDBACK)

SAGE Publications Inc, United States, 2006. Hardback. Condition: New. New. Language: English . Brand New Book. Comprehensive and user-friendly. The book is helpfully constructed around a number of key themes, starting with a good attempt to define social work from historical and international perspectives and moving on to address key issues concerning the practice, knowledge, values and skills required from contemporary social work in the UK. I believe social work students, newly qualified and experienced social workers will find this a valuable resource, especially when one is confronted by challenges in practice - Professional Social Work Social Work is a good overview that should refresh learner and tutor alike. Practice assessors may find this book a useful update for their work with students and also a neat refresher. It is a well-written and up-to-date text, with a good sense of where future challenges lie for the social work profession in the UK. Higham is confident enough to voice the profession's uncertainties as well as mapping the changing organisational landscape that social workers might populate. [This book] is likely to appear on many social work reading lists. [It has] the potential to provide good learning opportunities for post-qualifying as well as pre-qualifying training - Health and Social Care in the Community `The unique aspect of this book which distinguishes it from other competitors is that it is constructed explicitly around the key roles and benchmark statements. this book will offer something new and interesting to the growing field of social work education literature and is likely to be relevant to both students and practitioners in the UK and elsewhere - Dr Caroline Skehill, Queens University Belfast What is the role of social work? What does it mean to be a social worker? What are the changes affecting social work training?...
