

## Psychedelic Healing for the 21st Century (Paperback)

By Michael Watts Bsc

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This short book is packed with fascinating information about one of the most controversial areas of psychiatry - psychedelic therapy. Research within this field of medicine has recently been resumed, having been banned for nearly half a century, and results of completed studies on the effects of psychedelics on war veterans with intractable PTSD and on subjects with treatment-resistant depression, have been very promising. Currently, controlled studies on the efficacy of psychedelic treatment for depression are taking place at Johns Hopkins University School of Medicine in the USA and at the Neuropsychopharmacology Unit in the Division of Brain Sciences, at Imperial College London. The results so far suggest that within a decade, psychedelics could become a legal pharmacological treatment for depression and PTSD. In addition, these substances are known for their ability to dramatically enhance creativity and to provide profound spiritual insights, but perhaps the most fascinating part of this book is the second section which describes the experiences of numerous famous individuals who owe much of their significant success in life to these life-changing chemicals, the list includes:...
