Lulu.com, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Essential information on the neurological disease M.E. sourced from the world s leading M.E. experts. Suitable for M.E. patients, their friends and family, partners, carers or doctors. The book includes a foreword by international M.E. expert Dr Byron Hyde. M.E.is a distinct neurological disease and is not at all the same thing as CFS. Learning the facts is not time-consuming or complicated. Supporting your ill friend or family member or patient more fully by being aware of the basic facts of M.E. could make all the difference in the world to them. This book shows you how. Jodi Bassett is the founder of the international M.E. charity, HFME. Jodi contracted M.E. in 1995 when she was just 19. HFME contributors also aim to advocate for those non-M.E. patients who have been given the always meaningless CFS diagnosis, and subsequently denied correct diagnosis and treatment.
