SAGE Publications Inc, United States, 1990. Paperback. Condition: New. Will Be Reissue. Language: English . Brand New Book ***** Print on Demand *****. Does a client's age affect the counselling process? What special challenges do older clients present for the counsellor? This book links life-span concepts directly to the daily concerns of counsellors. With the focus on major types of problems that bring clients to counselling, Thomas integrates current research with counselling techniques to enable counsellors to better understand the relationship between changes in personality traits and counselling elderly clients. He identifies key decisions that are typically made in the counselling process and determines what kinds of age-related information will positively influence the counselling process.
