CALLING ALL RADICALS: HOW GRASSROOTS ORGANIZERS CAN SAVE OUR DEMOCRACY

Avalon Publishing Group, United States, 2007. Paperback. Book Condition: New. 206 x 140 mm. Language: English . Brand New Book. American democracy is seemingly in retreat. Voting rates are at an all time low, citizens are disillusioned, and inequality continues to soar. But there is also a belief that change is possible. Calling All Radicals argues that we can reclaim our democracy in the old fashioned way -- through grassroots organizing. Gabriel Thompson draws upon his own experience of working within local communities to demonstrate its immediate impact. Some examples: When a brother and sister were being evicted from their home of 73 years, the community responded by staging a protest in front of the landlord s home -- gaining media attention and forcing the owner to allow them to stay. With children in Central Brooklyn suffering from lead poisoning, Thompson designed a campaign that trained inner-city high school students to test neighborhood homes and found that 1 in 3 were dangerous -- forcing NYC officials to act by pushing through citywide legislation that held landlords responsible for implementing more proactive steps to fix hazards. Calling All Radicals argues that everyone is capable of community organizing. It explains the key tactics of organizing, leadership development, conducting research, and working effectively with the media.
