Woman's Missionary Union. Paperback / softback. Book Condition: new. BRAND NEW, God's Truth Revealed: Biblical Foundations for the Christian Faith, Kathy Howard, Spiritual seekers are looking for more than life experiences that continually fail to satisfy. This 12session study presents the basic beliefs of Christianity in a way that is engaging, personal, thoroughly biblical and ultimately satisfying. Through His Word, God makes Himself known to those who seek Him. With Scripture as its foundation, Gods Truth Revealed addresses common questions of seekers and new Christianslike Who is God? and Why am I here? Readers begin by considering the existence of God and the meaning of faith from Gods earliest relationships with His people. With the understanding that faith in God is not illogical, the study provides biblical, historical and scientific evidence to support creation; the reliability of the Bible; and the life, death and resurrection of Jesus. The author takes study participants on a straightforward journey through the Bible to understand the importance of knowing God, not just knowing about Him. Further, in each chapter the author provides a compelling story of a contemporary person who has become a Christian as an adult. For believers committed to sharing spiritual truth with nonChristians and new believers, Gods Truth Revealed is the ideal textbook. The interactive format is perfect for small groups or onetoone discipleship as part of a churchs Christian education programming.
