Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - The solo discography of John Mayer, an American singer-songwriter and guitarist, consists of four studio albums, three live albums, two extended plays (EPs), twelve singles and two video albums. Even though it is not a solo album, it is worthy of mention that John mayer collaborated with Pino Palladino and Steve Jordan on a Live album under the name of the John mayer trio. The album is called Try! A year after moving to Atlanta, Georgia and playing in local clubs, Mayer released the independent EP Inside Wants Out in 1999. This album, as well as continued performances, gained Mayer attention from the independent promotional record label Aware Records. Aware released his first full-length album, Room for Squares, in 2001, and when Columbia Records acquired Aware the following year, the album was repackaged and promoted as a major label release. The major label 'debut' went on to sell over 4 million units in the United States alone, and more internationally. Mayer followed up by releasing a live album, Any Given Thursday, in both audio CD and DVD format, which featured many songs from Room for Squares, as well as covers and previously unreleased originals. 236 pp. Englisch.
