Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The problems that families face today-polygamous practices, family violence, unholy alliances, and marital infidelity-point to an eschatological state, or what is more commonly referred to as the Last Days. In his timely religious guide *Families in the Last Days*, author Howard Weems explains the art of maintaining family cohesion and a relationship with God while living among great evil and unparalleled social ills during the interval of awaiting the second return of Jesus. *Families in the Last Days* is a theological examination of the social milieu that Christian families must endure during the final days. Drawing on eschatological scholarship, interpretations of the Bible, and sociological data, Weems provides Christian families with practical, faith-based advice on subjects including: Proliferation of family violence Importance of salvific relationships Dynamics of love and attraction Challenges to traditional marriages Sexual indiscretion Victory over the world Because of their faith in Christ, Christians will survive the coming destruction. Unfortunately, they must live among unprecedented evil as they await His return. The sound advice in *Families in the Last Days* can successfully guide you through this chaotic time.
