Moody: The School for Young Men, the College for Young Ladies, the Summer School for Bible Teaching, Together With Mr. Moody s Pointed, Practical and Helpful Talks John Wesley used to say, The world is my parish. If there is any man at the present day who is entitled to utter the same words in their most literal sense, that man is Dwight L. Moody. When, in 1872, Mr. Moody, accompanied by Mr. Sankey, crossed the Atlantic to begin that wonderful campaign in Great Britain and Ireland which was to render their names famous throughout the civilized globe and mark an epoch in modern evangelism, it was probably with the expectation that they would return to Chicago and resume their customary work. But the moment they reached America it became evident that henceforth they could have no abiding city on earth, and that the life before them must be the itinerant activity of evangelists at large. In these circumstances it was natural that Mr. Moody s thoughts should turn to the place of his birth and the home of his youth. Somewhere he must retire now and again for a brief respite from his all but incessant labors. Somewhere he must provide a shelter for his family, and fulfil as best he could the duties of a husband and father.
