## LUCKENBOOTH: AN EDINBURGH POETRY ANTHOLOGY

[DOWNLOAD](#)

Birlinn General. Hardback. Book Condition: new. BRAND NEW, Luckenbooth: An Edinburgh Poetry Anthology, Lizzie MacGregor, Edinburgh is a city that speaks to the heart. Its dust, dirt, beauty, character, crowded closes and staggering views will always captivate and inspire. Poets like Robert Fergusson and later Robert Louis Stevenson loved walking through Edinburgh's seamy underside, as well as its elegant New Town streets. Burns was flattered in New Town drawing rooms. Sir Walter Scott made the city a glamorous backdrop to history. Muriel Spark turned a mercilessly clear gaze on its foibles, and Hugh MacDiarmid called the city 'a mad god's dream'. From the great Scottish renaissance poet William Dunbar, and Burns, Scott and Stevenson, to some of Scotland's newest poetry by Robin Robertson and the city's first Makar, Stewart Conn, this book presents a choice of the finest poems about Edinburgh through the centuries. The selection includes some rare poems by forgotten masters, and includes well-loved writers like Spark, Crichton Smith and Norman MacCaig.
