Huckstep Enterprises, DBA Busy Bee Publishing, United States, 2014. Paperback. Book Condition: New. David Condry (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Mary and her hubby, old Hunk, raised five kids, assorted grandkids, three dogs, two cats, various reptiles, rodents galore, a boatload of fish, and a Mexican tarantula named Mad Max. It was crazy. But their drug of choice has always been laughter. A former AP English teacher and freelance writer, Mary earned her MFA in Screenwriting from UCLA in 2004, then worked in script development for a small production company with projects at Sony, Disney, Lifetime, and Hallmark Hall of Fame. Next, Mary focused her talents on her family and their funny foibles. And thus, the MARY MARY QUITE series was born. Mary met artist David J Condry in 2011 and their collaboration led to 22 full-page illustrations and David's cover design, all of which are works of art, in their own right. Currently a Denver resident, David is a graduate of the Massachusetts College of Art and Design. A husband, a father, a lover of people, and an artist. David's favorite subjects have always been human beings - as evidenced in his delightful illustrations of the characters in this family-friendly book. A sample chapter can be viewed at.
