*(Leanne Cremin)*

## AN ESSAY ON MONEY: ITS ORIGIN AND USE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from An Essay on Money: Its Origin and Use The growing distresses of the people convinced me that these truths had a most important bearing on our times; and that I should fail to discharge my duty unless I communicated to my countrymen, and to society at large, those facts and inferences, which, in my opinion, were materially calculated to affect the interests of all ranks of people in every country, but especially in our own. Under these impressions I published, in a pamphlet on The Restoration of National Prosperity, shewing it to be immediately practicable I am still of Opinion that it is in the power of Government to produce at will the restoration of prosperity; and if the present Administration could be inattentive to this great duty, which all their speeches and actions forbid us to believe, the people of England are not yet, I trust, so sunk in indifference or despair, as to permit themselves to be irrecoverably lost, while a way to the salvation of the state is laid open to them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
