Behind the Music Tales is a series which captures the mood and feel of the energy that surged through music in the 90s and 2000s. It presents exclusive original interviews as an honest record, directly from authentic creative forces, and is a distinct historical document as close to the truth as one can get. Now, in The Reasonings of Buju Banton, Bounty Killer Sizzla, the 8th book in the series, you can get inside the minds of some of the most important artists who have made their mark on Reggae music for generations to come. He has likewise spoken candidly on the state of Reggae music and what was keeping it back from crossing over to the masses. Then he faced his most formidable opponent, ever. Sizzla has released over 60 albums and is respected worldwide for his music. He has actively engaged a youthful following with his spiritual Rastafarian teachings and lifestyle, educating them on corruption, oppression and how to uplift themselves. The Reasonings of Buju Banton, Bounty Killer Sizzla is a rare treat. It captures the thoughts and hopes of artists who have made it their lives to bring one of the most popular forms of music to...
