By Hayley Weatherburn

Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ever wondered how twins can sense each other, even when they are on the other side of the world? Or thought about why you suddenly think of someone you haven't seen for ages and then they call you on the phone - how does that happen? Have you ever experienced or heard of animals predicting earthquakes or even sniffing out cancers - what makes them do this? Religion and prayer seem to produce some intriguing miracles - can science explain this? And then there is paranormal activity and superstitions - are they real and if so what is going on that we don't understand? These and many more questions plagued Hayley Weatherburn to read, research and learn what was going on behind the scenes. Being of a scientific mind, she delved into the realm of quantum physics and discovered an answer. Explaining it very simply with a few amusing and personal anecdotes, she goes through different aspects of life as we know it and provides an interesting view on the way the world works and how to apply this new...
