## THE BODY ON THE ROCKS: TWELVE THRILLING STORIES FEATURING DETECTIVE CHRIS MARK

Avanti Literary, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The instant Chris Mark heard the scream he knew something was very wrong. At the edge of a narrow chasm a woman was backing away from something. Her dog strained at its leash. Mark took his hands from his pockets, broke into a run. The woman saw him and pointed. The dog pulled excitedly, trying to get close to whatever was down there. Mark approached the crevice and looked down. On the rocks ten feet below him a man lay on his back. He was clad in jeans and a sweatshirt. While the body was in bad shape - bloated and discolored - the waxy face still had its nose and ears, and the two bluish hands were at the ends of the arms. The limbs and small bits had not yet been devoured by predators. I m sorry that I screamed like that, stuttered the woman. I just looked down and there he was. What do you suppose happened? Mark shrugged. The ocean can take you any which way. The Body on the Rocks presents twelve thrilling stories featuring detective Chris Mark. Set in the rugged port city of Gloucester, Massachusetts, each story offers human drama, passion, intrigue, and a glimpse into the complicated life of an Iraq War vet who only wants to help people solve their toughest problems. This fast-paced collection is perfect for a day at the beach or an evening by the fireplace, and will keep you turning the pages long past your bedtime.
