By Sophocles, Robert Bagg

This phenomenal translation by Robert Bagg achieves an accurate but idiomatic rendering...

It is one of the best books. Better than never, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

A must-buy book if you need to add benefit. It really is written in easy terms instead of difficult to understand. I found out this ebook from my dad and I advised this publication to find out.
