YOU DID IT WHERE?: THE STRANGEST PLACES PEOPLE HAVE SEX (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Adam Stivers (illustrator). Language: English . Brand New Book ***** Print on Demand *****.This hilarious cartoon and joke book will amaze you with the breadth and width of some folks imagination. People are finding today that monogamy is the only alternative to celibacy. But monogamy does not have to mean monotony. The adventurous modern couple is cutting out all other partners and adding atmosphere and suspense to their sexual menu. I have never seen people get more excited at my shows than when I started asking audience members to fill out questionnaires on strange sex places. They loved talking about it, and you will love reading about the strangest of the strange. The acts described in this book are all alleged to be true by the people who participated. I sure don t recommend some of the more dangerous stunts, but you will not believe the breadth and width of some folks imagination and inventiveness. Some are down-right scary! Even though 100 consensual most are 98 crazy, and I hope you enjoy every one.
