Family Doctor Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Understanding Indigestion & Ulcers (Revised edition), Chris Hawkey, Nick Wight, Virtually everyone has had indigestion at some time, and for most people it's simply a minor nuisance. More often than not, it happens when you've overindulged or eaten something that doesn't agree with you and it only lasts for a short time. For some people the symptoms can be persistent and so severe that they interfere with everyday life. The symptoms may be caused by some undiagnosed problem within the digestive system, which needs to be properly identified and treated by a doctor. This book will help you distinguish between minor symptoms, which you can safely treat yourself, and those that need further investigation.
