

Rosalyn Yalow: Nobel Laureate Her Life and Work in Medicine

Filesize: 9.75 MB

Reviews

Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.

(Dr. Arno Sauer Sr.)

ROSALYN YALOW: NOVEL LAUREATE HER LIFE AND WORK IN MEDICINE

Perseus Books Group. Paperback. Book Condition: New. Paperback. 294 pages. Dimensions: 9.4in. x 6.0in. x 0.7in. The biography of Rosalyn Yalow, as told by her longtime friend and colleague Eugene Straus, is the story of a woman who prevailed against class and gender prejudice to reach the pinnacle of the science world. Yalows story is related against the backdrop of her later years, when, after having won the Nobel Prize in medicine for inventing a revolutionary test for certain kinds of hormones, she was suddenly felled by a stroke and brought to a hospital where, unrecognized, she was dumped as a charity case onto another hospital. Strauss account of Yalows slow but ultimate triumph over crippling illness is of a piece with that of the dazzlingly talented and tenacious young woman who, despite the barriers placed before her by a male-dominated medical establishment, never compromised her principles of hard work and scientific integrity. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
