NOTES OF TRIUMPH: FOR THE SUNDAY SCHOOL (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Notes of Triumph: For the Sunday School IN the book hereby offered to the public the authors have endeavored to meet the needs and wants of the many Sunday-school workers who during past years have learned to look to them for help. All those needs and wants have been carefully studied, and wherever a song-book could add interest and inspiration, an earnest attempt to furnish what was required was made. The whole experience and observation of the authors have been concentrated upon the book, and it is the completest and most many-sided with which they have ever been connected. The great days of the Christian year have been provided for, as have also many other less sacred; but still important, occasions. New features for the Sunday-school programme have been suggested. Not only have the standard hymns found a large representation, but the tunes to which they are usually sung have also been furnished, to the greater convenience of organist and singer. The desire of many Sunday-schools for responsive worship has been met by well-arranged opening and closing exercises. While no one school may have occasion to use all the special features presented, the large variety from which to select gives assurance that the wants of, every school are provided for.
