## SANSNOM AND THE DREAMERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I am Sansnom. I have been here many times and in many guises and I will come again until I am no longer needed, until your world of dreams has been willingly given up. But the world of dreams and the dreamers are in terrible torment. Seventy years from now the young have arisen and drug fuelled anarchy reigns supreme Only one man can save humankind from itself. That man is Sansnom. Told in the words of an anonymous narrator Sansnom and the Dreamers depicts a realistic future of despair and anger, a world where society and the state is destroyed by the Revolution and the older generations are stripped of everything they own. This is a world heading for self-destruction but there is still hope. Combining a realistic vision of the future with ancient wisdom and philosophy this book will appeal to both those who are concerned with the current state of the world in light of recent economic social and political events and those who seek answers to life s major questions.
